May 18, 2020

Dear Greater Lowell Tech families ~

As we navigate towards the end of the 2019-2020 school year in the most unprecedented of circumstances, we hope that you are all safe and well. Third quarter report cards were mailed out yesterday. Please review your child's progress (pass or fail) and reach out to their teacher(s) or school counselor via phone or email with any questions or concerns. Please be reminded that we are here to assist our students in any way that we can to engage in remote learning, complete their assignments and finish out the school year Gryphon Strong! The last day of school is June 12, 2020. A final report card will be issued and mailed home. Please also be aware of the following:

Freshmen Shop Selection

On Friday May 15, 2020 all 9th graders began the shop selection process.

Virtual Summer School/Credit Recovery

We are currently planning a virtual summer school/credit recovery for those students who received a final grade of "Fail" for the year.

Lockers

No students will be allowed back into the building this school year. If your child is in the 10th or 11th grade they will be keeping their same lockers next year so their belongings will remain safe until school reopens. If it is critical that they need what is in their locker, then you may contact us to retrieve the item(s) and arrange a time for pick-up at security.

Chrome-Books

All borrowed Chrome books should be safely kept at home and used to complete summer Reading and Math assignments. They will be collected from students when school resumes in the Fall.

Summer Reading and Math Assignments/Support

You will be receiving a connect-ed call/email blast regarding summer Reading and Math assignments before the end of the school year. It is important that you encourage your child to complete these assignments to practice and to strengthen Reading and Math skills that they will need to be prepared to start the new school year. A schedule of dates and times teachers will be available to assist students with these assignments will also be provided.

Best wishes to you all, remain safe, and know we are thinking about all of our GLTHS students and their families.

Thank you,
Miss Davis
